Our membership year ends on 31 March each year. Pro-rata membership fees are available for new members only from 1 June each year, with rates calculated from the first day of each month. Pro-rata rates are not available for anyone who was a member in the previous year, or for Junior, Cricket Only, or Social memberships.

When you apply, you will be asked to opt to join one section only (Cricket, Tennis, Squash, or Social). Membership allows access to all sporting activities as well as the clubhouse on a social basis; except for Social membership, which provides access to the clubhouse on a social basis only; and Cricket Only membership, which provides access for cricket and to the clubhouse on a social basis. Your section membership entitles you to attend that sections meetings, vote for sectional committee members, etc.
